

## Just My Soul Responding

Amber Run

**C** **Em**  
Oh, and I wanna be here when morning comes  
**Em** **D**  
When the stars in the sky fade into one  
**C** **Em**  
Oh, and I wanna be here when times are hard  
**Em** **D**  
When the beating of your heart is like a drum

**Am**  
But every day  
**Em** **D**  
I found new ways to hurt you  
**Am**  
And every day  
**D**  
We took our sides

**C** **G** **Em** **D**  
And it s just my soul responding  
**C** **G** **Em** **D**  
To the heavy heart I m holding  
**C** **G** **Em** **D**  
And it s just my soul responding  
**C** **D**  
To the love you took from me
