New English i love this song iits KEXP version though cause the real version hasnt been released yet also the lyrics probably arent right

Intro: F#m A B A x6

F#m A B \rightarrow A Collect the sleet collect the change and make it out of

A B A

Buy here everything she needs

F#m A B A F#m

She never moves just hangs around and counts the peasants

A B A

Cherrys falling from the trees

F#m C#m B A

And That Lonely Rain i know it seems a lot like heaven

F#m C#m B A

Poor child dont stop hear

F#m A B A F#m

This was only a way through tear soaked eyes and years of aching

A B A

Cut the rope and drift away

F#m A B A x2

F#m A B A F#m

You must believe or make the curtain fall together

A B A

Down the ally in the breeze

F#m A B A

Dont look confused those birds are only pleased with feathers

F#m A B A

They ll turn you black and get you blue

F#m C#m B A

And I know their names it talks to me the pain of loosing

F#m C#m B A

if someone else says game

F#m A B A

She s a notion away relazing in new english gardens

F#m A B A

Pushing up the days a chain

Outro: F#m A B A x4

Im going to try and tab out all the lead parts soon
