

**If You Go Away**  
**Ambulette**

[Verse 1]

**Am**

If you go away  
On this summer s day

**Dm**

Then you might as well  
Take the sun away

**G**

All the birds that flew  
In the summer sky

**C**

When our love was new  
And our hearts were high

**Dm**

And the days were long

**E**

And the nights were young

**Am**

And the moon stood still  
For the night bird s song

**Dm**

If you go away

**E**

If you go away

**Am**

If you go away

[Chorus 1]

**Am**

But if you stay

**C**

I ll make you a day

**E**

Like no day has been

**Am**

Or will be again

**Am**

We ll sail on the sun

**C**

We ll ride on the rain

**G**

And talk to the trees

**E**

And worship the wind

**Am**

But if you go

**Dm**

I ll understand

**E**

**Am**

Give me just enough love to fill up my hands

**Dm**

If you go away

**E**

If you go away

**Am**

If you go away

[Verse 2]

**Am**

If you go away

As I know you will

**Dm**

You must tell the world

To stop turning

**G**

Till you return again

If you ever do

**C**

For what good is love

Without loving you

**Dm**

Can I tell you now

**E**

As you turn to go

**Am**

I ll be dying slowly

Till the next hello

**Dm**

If you go away

**E**

If you go away

**Am**

If you go away

[Chorus 2]

**Am**

But if you stay

**C**

I ll make you a night

**E**

Like no night has been

**Am**

Or will be again

**Am**

I ll sail on your smile  
C  
I ll ride on your touch  
G  
I ll talk to your eyes  
E  
That I love so much

Am  
But if you go  
Dm  
I will cry  
E  
For the good is gone  
Am  
From the word goodbye

Dm  
If you go away  
E  
If you go away  
Am  
If you go away

[Verse 3]  
Am  
If you go away

As I know you must  
Dm  
There d be nothing left  
In this world to trust  
G  
Just an empty room  
Full of empty space  
C  
Like the empty look  
I see on your face

Dm  
But I ve been in the shadow  
E  
Of your shadow  
Am  
If you might ve kept me  
By your side

Dm  
If you go away  
E  
If you go away  
Am  
If you go away
