Come Back to Me Lyrics

Not sure if this is exact, but I m just playing it by ear

(Sounds best using barred chords)

Chords: **C#m** / **A** / **E** / **B**

Intro: **C#m** / **A** / **E** / **B**

C#m **A**
I feel the weight of silence crashing down

E **B**
It brings me to my knees

C#m **A**
Remember back to when we had it all

E **B**
When you stood next to me

C#m **A**
But with every kiss it tastes like goodbye
C#m **B**
And I don t wanna feel like this will be the last time

C#m
I stopped breathing
A
My heart s not beating
E **B**
Begging you on my knees
C#m
And I ll say never

A
Just stay forever
E **B**
Will you come back to me
C#m
Just come back to me

C#m
I stole the moment
A **E** **B**
But the moment stole the breath right out of me
(Oh oh oh oh)
C#m **A**
Regretting every second left in fear

E

B

Your ghost is haunting me
