Everything that I ll never know
   F#m
And sometimes it s hard to swallow
But if you d give me the chance
I ll never let go
Cause there s nothing to stop me now
(repeat chorus)
Bridge:
As I scream at
              F#m
The top of my lungs, make a scene
Just to catch your attention, and all in between
                          F#m
Your beauty at once had me lost in the meaning
E
Maybe
I ll scream out loud
I m fighting my way to the top
Maybe
    Α
I ll scream out loud
I m fighting my way to the top so that you
   Е
Just maybe
      Α
Might hear me now
F#m
I take a deep breath let it out
I take a deep breath let it out
