Id Rather Be Alone
Amely

This is the Album Version

Verse 1:
```
F#              D#                          B
Well I ll be fine, just laying here tonight,
                   F#
thinking about the world.
F#              D#                       B                F#
If you donâ€™t mind, then let me be so I can feel alive again
            C#              B              F#
For Iâ€™ve been hiding, Iâ€™ve been searching for a reason to escape
         C#             B          F#
But I am trying, no im lying to myself  cuz im a fake
```

Chorus: Play Twice
```
F#                                 C#
Tell me what you meant when you said you missed me.
B
Tell me how you felt when you dared to kiss me.
F#         C#       B
Oh Oh Oh, Oh oh oh...
    B                          After you play it twice end with F#
Id rather be alone.
```

Verse 2: Same chords and pattern as verse 1

Bridge:
```
D#
With no one right here by my side,
 B
I ll live a cold and lonely life.
D#                                      B
I d rather be this way than give my love to
    C#
 just anyone.
```
