When we re starting to fall

You make me feel like I don t exist

Em/D Cadd9
Don t know why
G D Em/D Cadd9

I let you get past me this time

Won t break down these walls

If it hurts to hear at all I don t feel a thing now

And I was playing your game but I was trying too hard
G D
Felt like I could never resist
Em/D Cadd9
And I was buried in shame when you caught me off guard
G D
The very second that I started to slip
Em/D Cadd9
Were you my
G D Em/D Cadd9
Dream for a while or just time
G D
passing me by?

That you re gone
