Verse 1:

F

Do you ever feel like you're dying?

C

Got the same dream on repeat

Gm

It's like a song you can't rewind,

C

F

And though you try it only makes you see

F

These are the chords that you have chosen

C

This is your favorite melody

Gm

And even though you're all alone

C

F

I've got a way of changing everything

pre-chorus:

Gm

So go it alone or stand by your side

C

At least you can say I've tried

Gm

C

To throw it all away or keep you locked inside inside

chorus:

F

When you're standing in the rain and you see me standing by you

C

When nothing goes your way, you feel me right behind you

Gm

I will take away your pain

C

You know I'll make it better when I sing to you

verse 2:

F

You say your heart don't beat without me

C

Am I making sense to you?

Gm

I wish I could, you know I would,

C F

But it s a major minor kind of tune

pre-chorus 2:

Gm

So listen to me Iâ€™m gonna make you proud

C

Keep your high from ever touching ground

Gm

C

Iâ€™ll be your strength when you are feeling down, feeling down

chorus:

F

When youâ€™re standing in the rain and you see me standing by you

C

When nothing goes your way, you feel me right behind you

Gm

I will take away your pain

C

You know Iâ€™ll make it better when I sing to you

F

When youâ€™re standing in the rain and you see me standing by you

C

When nothing goes your way, you feel me right behind you

Gm

I will take away your pain

C

You know Iâ€™ll make it better when I sing to you

bridge:

Gm

Girl this is the reason, and even though i m leaving

C

I wonâ€™t ever be too far

Gm

Turn on the radio, youâ€™ll hear in stereo

C

F

C

Gm

C

F

You will always be my star, star, star, star, star

chorus:

F

When youâ€™re standing in the rain and you see me standing by you

C

When nothing goes your way, you feel me right behind you

Gm

I will take away your pain

C

You know Iâ€™ll make it better when I sing to you

F

When youâ€™re standing in the rain and you see me standing by you

C

When nothing goes your way, you feel me right behind you

Gm

I will take away your pain

C

You know Iâ€™ll make it better when I sing to you

F

When youâ€™re standing in the rain and you see me standing by you

C

When nothing goes your way, you feel me right behind you

Gm

I will take away your pain

C

You know Iâ€™ll make it better when I sing to you

F

C

Gm

C

F

Ooh ohhhhh ohhhhh ooohhhh oohh

C

F

You know Iâ€™ll make it better when I sing to you
