1st VERSE:

                  Em  E7sus4  
On the first part of the journey  
                  Em  E7sus4  
I was looking at all the life  
                  Em  E7sus4  
There were plants and birds and rocks and things  
                  Em  E7sus4  
There was sand and hills and rings  
                  Em  E7sus4  
The first thing I met was a fly with a buzz  
                  Em  E7sus4  
And the sky with no clouds  
                  Em  E7sus4  
The heat was hot and the ground was dry  
                  Em  E7sus4  
But the air was full of sound .

(It s the same for the rest of the song; in order to play this song just like it sounds, I recommend you to play the big strings (E,A and D) alone before every Em Chord part;I mean: play 022---, before playing the whole chord:022000)
