

Its Life
América

(intro) **Em** **G**

Em

The child wakes

G

each moment of sadness for own sakes

Em **G**

living, trying is best to believing

D

hoping this dream will come true

C **G** **F#**

sadness it s only a face for you

Em **D** **C**

I try like a devil to every mains

G **F#**

anything for you

Em **D** **C**

In only a moment your life can change

Em

Still lake

G

rocking above, it is no to late

Em **G**

living, trying is best to believing

D

hoping this dream will come true

C **G** **F#**

sadness it s only a face for you

Em **D** **C**

I try like a devil to every mains

G **F#**

anything for you

Em **D** **C**

In only a moment your life can change

Yes it s true

(**A** **Em** **A** **Em**)

A

You fell of the window

E

and now on the floor

A

you find the direction

E

you a quite seem move

G

with your life

B **C**

taken every want to do

A

The people are pretty

E

the flowers are too

A

prompt to your heaven

E

if you don't say you do

G

B

C

Cause it's life and it's taken every want to do

and it's true

G

F#

E

D

I'd like to take you but i don't tempt it's ruin for two
