

It's Life
América

(intro) **Em G**

Em

The child wakes

G

each moment of sadness for own sakes

Em G

living, trying is best to believing

D

hoping this dream will come true

C G F#

sadness it s only a face for you

Em D C

I try like a devil to every mains

G F#

anything for you

Em D C

In only a moment your life can change

Em

Still lake

G

rocking above, it is no to late

Em G

living, trying is best to believing

D

hoping this dream will come true

C G F#

sadness it s only a face for you

Em D C

I try like a devil to every mains

G F#

anything for you

Em D C

In only a moment your life can change

Yes it s true

(**A Em A Em**)

A

You fell of the window

E

and now on the floor

A

you find the direction

E

you a quite seem move

G

with your life

B C

taken every want to do

A

The people are pretty

E

the flowers are too

A

prompt to your heaven

E

if you don t say you do

G B C

Cause it s life and it s taken every want to do

and it s true

G F# E D

I d like to take you but i don t tempt it s ruin for two
