

Keepers keep the love they ve found

C **G** **F**

Losers lose and wind up weeping

Em **F**

But it s the only game in town

Am

All hail the third string debutante

Em **F**

She tries to act so nonchalant

Am

Chasin the prince of alibis

Em **F**

Into a smokescreen made of lies

C **G** **F**

Finders find love for the evening

C **G** **F**

Keepers keep the love they ve found

C **G** **F**

Losers lose and wind up weeping

Em **F**

But it s the only game in town

Adlib: Am-----Em--F--;

Am

My window looks down on the set

Em **F**

Each night the players strut and fret

Am

So if you d like to join the rest

Em **F**

Just choose the part that suits you best

C **G** **F**

Finders find love for the evening

C **G** **F**

Keepers keep the love they ve found

C **G** **F**

Losers lose and wind up weeping

Em **F**

But it s the only game in town.

(repeat last stanza while fading)
