Intro: Am-----

**Am**  
Spectators line the avenue  
**Em** **F**  
The players step out right on cue  
**Am**  
And every night just seems the same  
**Em** **F**  
Nameless faces play their game

**Am**  
The midnight gamblers place their bets  
**Em** **F**  
The tight-rope walkers check their nets  
**Am**  
Then comes the queen of broken hearts  
**Em** **F**  
This is the way it always starts

**C** **G** **F**  
Finders find love for the evening  
**C** **G** **F**

Keepers keep the love they ve found

**C G F**

Losers lose and wind up weeping

**Em F**

But it s the only game in town

**Am**

All hail the third string debutante

**Em F**

She tries to act so nonchalant

**Am**

Chasin the prince of alibis

**Em F**

Into a smokescreen made of lies

**C G F**

Finders find love for the evening

**C G F**

Keepers keep the love they ve found

**C G F**

Losers lose and wind up weeping

**Em F**

But it s the only game in town

Adlib: Am-----Em--F--;

**Am**

My window looks down on the set

**Em F**

Each night the players strut and fret

**Am**

So if you d like to join the rest

**Em F**

Just choose the part that suits you best

**C G F**

Finders find love for the evening

**C G F**

Keepers keep the love they ve found

**C G F**

Losers lose and wind up weeping

**Em F**

But it s the only game in town.
