Because we had some good times,

But they don t last forever

We seemed to grow apart,

It never got much better

Oh it s good to see your face,
F
But I know things won t change
G
Though you seem so far away

Feels like yesterday

C
And we had some great nights,
C
Staying up together
Am
We could read each others minds
Am
Now we re on different levels

Should we have spent our lives holding onto hope

Holding on to the memories from pictures we took

That don t mean anything, anymore
