

**Im Born To Run**  
**American Authors**

**Am**                    **C**  
I m born to run down rocky cliffs  
**Em**                    **F**  
Give me grace, bury my sins  
**Am**                    **C**  
Shattered glass and black holes  
**Em**                    **F**  
Can t hold me back from where I need to go  
**Am**                    **C**  
Yellow hills and valleys deep  
**Em**                    **F**  
I watch them move under my feet  
**Am**                    **C**  
Stranger things have come and gone  
**Em**                    **F**  
To see the world and take the throne

N.C.  
Don t hold back  
Oh, I won t hold back

**Am**                    **C**  
I m gonna live my life like I m gonna die young  
**Em**                    **F**  
Like it s never enough, like I m born to run  
**Am**                    **C**  
I m gonna spend my time like tomorrow won t come  
**Em**                    **F**  
Do whatever I want like I m born to run  
**Am**                    **C**  
I wanna see Paris, I wanna see Tokyo  
**Em**                    **F**  
I wanna be careless even if I break my bones  
**Am**                    **C**  
I m gonna live my life like I m gonna die young  
**Em**                    **F**  
Like it s never enough, like I m born to run  
**Am**                    **C**  
A winding road where strangers meet  
**Em** .                    **F**  
To feel the love of a warm drink  
**Am**                    **C**  
My body moves, it s speaking loud  
**Em**                    **F**  
Don t have to say what I m thinking now

N.C.

Don't hold back  
Oh, I won't hold back

**Am** **C**  
I'm gonna live my life like I'm gonna die young
