She makes me weak

lyrics:

She paints her nails  
And she don t know  
He s got her best friend on the phone  
She ll wash her her  
His dirty clothes are all he gives to her  
And he s got posters on the wall  
Of all the girls he wish she was  
And he means everything to her

Her boyfriend  
He don t know  
Anything about her  
He s too stoned  
Nintendo  
I wish that i could make her see  
She s just the flavor of the week

It s friday night  
She s all alone  
He s a million miles away  
And she s dressed to kill  
The TV s on  
He s connected to the sound  
And he s got pictures on the wall  
Of all the girls he s loved before  
And she knows all his favortie songs

Her boyfriend  
He don t know  
Anything about her  
He s too stoned  
Nintendo  
I wish that i could make her see  
She s just the flavor of the week

Her boyfriend  
He don t know  
Anything about her  
He s too stoned

He s too sonted  
He s too stoned  
He s too stoned

Her boyfriend  
He don t know  
Anything about her, needs  
Too stoned  
Nintendo  
I wish that i could make her see  
She s just the flavor of the week  
Yeah she s just the flavor of the week  
She makes me weak
