

## Vertigo

### American Hi-Fi

This is acoustic style version of the song, I understand it might not be the exact

chords but they sound pretty similar when played :)

Intro: **G, D, Em, C, G, D, F.**

**Em**            **C**                            **G**  
I ll do everything but your not that way  
**D**  
I m lost around you  
**Em**                            **C**                            **G**  
And you ll do everything with the same old lies  
**D**    **F**  
When I can t even try

**G**            **D**            **Em**  
Yea you get me high  
**C**                            **G**  
I m feeling so low  
**D**    **F**  
How far will you let me go  
**G**            **D**            **Em**  
Yea you get me high  
**C**                            **G**  
I m feeling so low  
**D**    **F**  
I m knocked down by the vertigo

Same for the rest :)
