## Vertigo

## American Hi-Fi

This is acoustic style version of the song, I understand it might not be the exact

chords but they sound pretty similar when played :)

Intro: G, D, Em, C, G, D, F.

Em C G

I ll do everything but your not that way

ח

I m lost around you

Em C G

And you ll do everything with the same old lies

D F

When I can t even try

G D Em

Yea you get me high

C G

I m feeling so low

D F

How far will you let me go

G D Em

Yea you get me high

C G

I m feeling so low

D F

I m knocked down by the vertigo

Same for the rest :)
