

**Mean Streak**

**American Steel**

Verse:

**G(III)**

Ya best to calm down, I m not likin tha sound of you voice

**G** **C F** (1st fret)

I might blow up on you, I can say I ve been drunk since noon, Kaboom

**D** **G**

The boys won t take me out in public

**Eb(VI)**

They wanna drop me like an awkward subject

**D**(once then palm mute)

Let me be clear, I ve a mean streak my dear

**Eb**

**F**(8th fret)

Everyone that I meet, i wanna stab in the ear

Chorus:

**Bb**

**A**

**G F(I)**

Except you cause your like me

**Eb**

**F**

we both act miserably

**Eb**

Must make us happy

**F**

it must make us happy (slide/scrap from **F(VIII)** to **C**)

verse2:

Fuck all these people, I can t stand the looks on their face

Just one more nasty glance, And I might just fuck up the place, A disgrace

Thought I was just a basket case

It s looking more like a kick to the face

Let me be clear I ve a mean streak my dear

Everyone that I meet I wanna punch in the ear

chorus2:

Except you cause you re like me

We both act miserably

I like you cause you re like me

We both act miserably

It must make us happy

Kill em all
