everybody changes with a chance, and I came around,

Verse 2:

la da da da da da da

sleepless nights, drowning at the bar
when it comes to mind
blood rushes to my head
like a sad song all along Iâ€™m the one whoâ€™s scared
the won who lost and a fool to pay the cost

Chorus:

I shoulda done my best, And I shoulda loved you steady
but im learning as I go, donâ€™t you know there are days when it hurts so bad
everybody changes with a chance,
yeah but Iâ€™m learning as I go, donâ€™t you know there are days when it hurts
so bad
everybody changes with a chance, and I came around,

Bridge:

Cadd9, Em,
da da da da da da, yeah
Cadd9, Em, D
mmm
Cadd9, Em

Cadd9, Em, D
La da da da da da

Chorus:

I shoulda loved you more and I shoulda been more ready
Well I should of changed before it really was too late
Oh but baby thatâ€™s before everything just all fell down
but Iâ€™m learning as I go, donâ€™t you know there are days when it hurts so bad

everybody changes with a chance,
yeah Iâ€™m learning as I go, donâ€™t you know there are days when it hurts so
bad
everybody changes with a chance, with a chance
and Iâ€™m learning as I go, donâ€™t you know there are days when it hurts so bad

everybody changes with a chance, with a chance
and Iâ€™m learning as I go, donâ€™t you know there are days when it hurts so bad

everybody changes with a chance, I came around

la da da da da da da
I came around
