My Kantele Amorphis

This is a great song it has cool riffs and rhytm, and I love to play it with my band. I was very suprised, when I saw that nobody has submitted it, so it s the time!

A M O R P H I S

M-Y $K-\mathbf{A}-N-T-\mathbf{E}-L-\mathbf{E}$

(ELEGY)

The solo is the most important in that song, but these are the chords: D: 000232 C: 032010 G: 320003 Fm: (1)33211 E: 022100

INTRO

Just play the solo twice, and then at the end of the second, the bass and the rhytm guitars join with G and D and then do it with the whole stuff. In the intro, verses, and chorus, the second guitar s rhytm is D?8 C?8 G?8 D?8 but listen to the rhytm.

LYRICS:

Truly they lie, they talk utter nonsense Who say that music reckon that the kantele Was fashioned by a god out of a great pike s shoulders From a water-dog s hooked bones: It was made from the grief moulded from sorrow
