

**Ease Back**

**Amos Lee**

Capo on 1. The G isn't perfect but it's close enough. If you can figure out exactly what it is let me know. Playing it as a cheater F slid up to 3 helped it to my ear.

Intro: G D Dm A (X2)(there is a small half measure of A tacked on at the very beginning)

**A**

Hello

**Bm**

It's good to see you coming back again

**D**

It's been a long time

**A**

Since I sat with you, my friend

**A**

I'll lend an ear

**Bm**

It's not that so severe

**D**

Time has killed the pain

**A**

And dried up every tear

**A**

And now

**Bm**

I'm thinking bout what went, down

**D**

All the heartache

I laughed away

**A**

Just like a clown

**G**

And now

**D**

Sit around talking

**Dm**

Drink some wine

**A**

I'm really glad you stopped in

**G**

Spend some time

**D**

You sit around talking

**Dm**

Thinking bout the past

**A**

It s funny how it lingers

**A**

But nothings meant to last

**A**

And my Ma

**Bm**

She d like to say hello

**D**

But shes a little scared

**A**

That I can t let it go

**A**

So let on, ease back, brother

**Bm**

And let it slip away

**D**

I m tired of hanging onto

**A**

The pains of yesterday

**A**

Once again

**Bm**

The money is so thick

**D**

It makes your heart go numb

**A**

It makes your mind get sick

**G**

So come on by

**D**

Stay and talk about it

**Dm**

Drink some wine

**A**

**G**

I m really glad you stopped in, brother of mine

**D**

We ll sit around talking

**Dm**

Drink some wine

**A**

And maybe by the morning everything is fine

**Bm**

Everything is fine

**D**

Ease back, brother

**A**

Let this clear your mind

**G**

Come on by

**D**

And drink yourself a good time

**Dm**

Have some wine

**A**

And think about each other

**G**

Sister and I are fine

**D**

Yes, I've been alright now

**Dm**

Take it lightly

**A**

Step on out the front door

**A\***

I'll see you in some time

A\* Throw in some sus.. maybe even slide up to a barred A... whatever you want to finish it.
