

Little Light
Amos Lee

Eb x68886
Cm x35543
Gm 355333

[Intro]

C F G C (x2)

[Verse 1]

C **F**
Some days I can t get myself out the box
G **C**
Some days I can t find keys to any locks
C **F**
Some days I feel like it s all overblown
G **C**
And then I look at you and I don t feel so alone

And I say...

[Chorus]

C **F**
Hey, let your little light shine
G **C**
Let your little light shine for the world to see
F
Hey, let your little light shine
G **C**
Let your little light shine for the world to see

[Verse 2]

C **F**
Some days I can t get myself out the race
G **C**
And all that cold wind blows right in my face
C **F**
Some days I feel like I m against the wall
G **C**
But then I look at you standin strong and tall against it all

[Chorus]

C **F**
Hey, let your little light shine

Let your little light shine for the world to see
Hey, let your little light shine
Let your little light shine for the world to see

[Bridge]

Now I m gonna keep on lookin for the stars in the sky
I m gonna keep on lookin for the stars yeah, oh-oh-oh

[Interlude]

Hey

la-la-la la-la-la la-la-la la-la-la

[Chorus]

Hey, let your little light shine
Let your little light shine for the world to see
Hey, let your little light shine
Let your little light shine for the world to see
Hey, let your little light shine
Let your little light shine for the world to see
Hey, let your little light shine
Let your little light shine for the world to see
