back to verse riff

Simple song! That s all there is to it.

Lyrics:

Well my woman she showed up
With your number on her hand
Well I thought that I might call you up
So we could deal with this man to man

You better tell me the truth son, yeah

Well he showed up down at the ballroom
Walking slow and acting strong
Well I said my friend I ll give you one last chance
To admit that you done me wrong

You better tell me the truth son, yeah
You better tell me the truth son, yeah

Now they got me here in the county
With his blood still on my fists
Well the boys in blue they don t play no games
All the sheriff said to me was this...

You better tell me the truth, son
You better tell me the truth, son

Now they got me here in the lockdown

For a crime I did commit
Well for my one call
I called the number on my girl s hand
To remind you not to forget

You should a told me the truth, son
You should a told me the truth, son
You should a tole me the truth, son
Oh...
