

**Last Words**

**Amy Blyth**

Be nice, this is my first tab!!  
no capo

**Em C G D** (all way through)

oh as i sat there and held your hand,  
you made me realise that i could never love again,  
cause i need your love,  
to keep my heart beating,  
tpo keep my lung breathing yeah,

oh how could i,  
live without your eyes,  
your hair your mouth and your chest,  
your lungs your heart and the rest,

as youre on your deathbed,  
you kissed me and then said,  
your last words to me,

hush now,  
dont you cry,  
cause you will be,  
successful in life,  
yeah im gonna die...,  
but you ll be ok without me,  
just please dont cry,  
and hold me tight for one last time, yeah.....

(single strum of each chord)

so as i said,  
youre the best,  
you let go of my body,  
and slipped away oh.....

yeah the nurses took you,  
and pushed me away oh no.....(increase strumming)....

yeah i just dont know how i will deal with this oh...

because i miss you!! (chourus in background)

i miss you

i miss you

i miss you

i miss you

i miss you

i miss you

(fade out)
