Innocent I was born a queen

D

Woke to life I thought it was a dream

A

I was lying in the gutter when a hand unseen

D

A

Poured down the sun on New York City

I went sailing through the streets

On a sea of faces

D

I was just another person

That time erases

A

It was All Soul s Day and I was not afraid

D

I felt I had a reason to live that day

G

And it seemed to me that something good

D

Is coming if you think it could

G

And I don t know when

And I don t know how

D

But I put my head into the clouds

G

And it s beautiful

D

It s beautiful

Now I m flying over bridges

And the sun s in my eyes

D

Skyscrapers shining and trains roll by

A

I thought I saw myself among the passersby

D

We re walking on the water

Walking on the light

G

And it seemed to me that something good

D

Is coming if you think it could

G

And I don t know when

And I don t know how
