[Hey guys, first timer here. Thank me sometime at <http://twitter.com/msrhnrnm> ;)

Do correct me if I m wrong at any parts. x]

Intro : **C** / **Em** / **Dm** / **F** / **G**

(**C**)                    (**Em**)  
I can t figure out  
                  (**G**)        (**F**)        (**Dm**)  
Is it meant to be this way  
(**G**)    (**C**)    (**G**)  
Easy words so hard to say  
(**C**)                    (**Em**)  
I can t live without  
(**G**)        (**F**)        (**Dm**)  
Knowing how you feel  
(**C**)                    (**G**)  
Know if this is real

(**Dm**)    (**Am**)    (**G**)  
Tell me am I mistaken  
(**Dm**)                            (**Am**)                    (**G**)  
Cause I don t have another heart for breakin  
                                  (**F**)  
Please don t let me go  
                                  (**C**)  
I just wanna stay  
                                  (**Em**)  
Can t you feel my heartbeats  
                                  (**Am**)  
Giving me away

(**G**)                    (**F**)  
I just want to know  
                                  (**C**)  
If you too feel afraid  
                                  (**Em**)  
I can feel your heartbeats  
                                  (**F**)  
Giving you away  
(**G**)                    (**C**)  
Giving us away

(C) (Em)  
I can't understand  
(G) (F) (Dm)  
How it's making sense  
(G) (C) (G)  
That we put up such defense  
(C) (Em)  
When all you need to know  
(G) (F) (Dm)  
No matter what you do  
(C) (G)  
I'm just as scared as you
