

Goodbye

Amy Jo Johnson

C **G**
Do you see me like I see you?
C **G**
Do you hear me when I speak of you?
C **G**
Do you feel me loving you?
C **G**
Did you see me, cause I see you.

C **G** **Am** **C**
But its goodbye, goodbye, goodbye goodbye
G **Am** **C**
goodbye, goodbye again

C **G**
I saw your world from the side
C **G**
Of the simple glances from the pleasures you ve pried
C **G**
And now its back from my own reality
C **G**
I wish you could save..... me

C **G** **Am** **C**
But its goodbye, goodbye, goodbye goodbye
G **Am** **C**
goodbye, goodbye again

C **G**
He chases the snow while I chase my dreams
C **G**
Soon my life just got cold
C **G**
I m dancing alone in the darkness and always see
C **G**
To be with him is to be bold

C **G** **Am** **C**
But its goodbye, goodbye, goodbye goodbye
G **Am** **C**
goodbye, goodbye again

C **G** **Am** **C**
Cause its goodbye, goodbye, goodbye goodbye
G **Am** **C** **C** **C** **C**
goodbye, goodbye again..... and again..... and again..... and again.
