

All Downhill From Here

Amy Kuney

Heard this on the One tree hill season finale (5-18) and liked it.

Here re the chords (I m not putting strumming patterns; they re easy enough to get a hold of.

Intro: **A/F#m/F**

Verse:

A **F#m**
Canâ€™t pull myself out of the bed, its 12 oâ€™clock inside my head,
F
The people outside feel so far away,
A **F#m**
I have a headache in my chest, from all the chaos that you left,
F
Caffeine and Aspirin take me away,

A **C#**
You tipped my world up on its side,
D **Dm**
but itâ€™s all downhill from here.
A **C#**
Mountain tops, level like parking lots,
D **Dm**
Cause itâ€™s all downhill from here.

Yep, that s pretty much how the song goes throughout.
