

Love Exists

Amy Lee

[Intro]

C D Em G Bm
C D Em G

C D Em
It can be born anywhere
G
In the last place you d expect
Bm C
In a way you d never dream

D
It can grow from nothing
Em
And blossom in a second
G
A single glance is all it takes
C
To get inside you

D Em
Invading every thought and every beat of your heart
G Bm C
Love can make you scream and it can leave you speechless
D Em G Bm
Love has a thousand stems, but only one flower

C D Em
It can grow alone till it turns to dust
G Bm C
It can tear your world apart or bind to you forever
D Em
It can grow in darkness, make its own light
G C
Turn a curse into a kiss, change the meaning of your words

D Em
Love makes no sense, love has no name
G Bm C
Love drowns you in tears and then sets your heart on fire
D Em G Bm
Love has no fear, love has no reason

C D Em
So infinitely vast and we re standing on the edge
G Bm C
Take my hand, erase the past forever

D Em G C
My love is you
D Em
My love, you are

C D Em
Love makes no sense, love has no name
G Bm C
Love is never wrong and never needs a reason
D Em G Bm
I m drowning in my tears, but my heart s on fire

C D Em
It can make you better, it can change you slowly
G Bm C
Give you everything you want, ask for nothing in return
D Em
In the blink of an eye, the hint of a smile
G C
In the way you say goodbye and every time you find me

D Em
Love makes no sense, love has no name
G Bm C
Love drowns you in tears and then sets your heart on fire
D Em G C
Love has no fear, love has no reason

D Em
Love makes no sense, love has no name
G Bm C
Love drowns you in tears and then sets your heart on fire
D Em G Bm C
Love has no fear, love has no reason

D Em G Bm C
My love is you
D Em G C
My love, you are
D Em G C
My love is you
D Em

My love, you are
