	Gm	Dm	C	Gm
Oh, the sun is shining far too bright				
	Dm	C	Gm	Dm C Gm
For it to still be night				
	Gm	Dm C	Gm	Dm C
Oh the air feels so cold so cold and old				
	Gm	Dm C	Gm	
How can it be light				

Oh let s take a walk outside
See the world through each other s eyes
I wish I was your only one
I think you re beautiful but your hair is a mess
And your shoes are untied, but that s what I love best

	Cm	F
And I, I wish I was the one,		
	Dm	
You lonely, lonely son		
	Gm	
And you looked at me that way		
	Cm	
I wish for long lingering glances		
	F	Dm Gm
Fairytale romances every single day		
	Cm	
And you look at me and say		
	F	
I m your best friend every day		
	Dm	Gm
But I wish for something, wish for something more		

Cm F
Oh, I love you like a friend but let s not pretend
Dm Gm
How I wish for something, wish for something more

Oh the grass is so green
But I can t see anything, past your eyes
I m fixated on your smile
Your cherry lips make life worthwhile
I m thinking these things
What I m trying to say is
Life gets in my way
Every single day

And I, I wish I was the one
You lonely, lonely son
And you looked at me that way
I wish for long lingering glances
Fairytale romances every single day
And you look at me and say
I m your best friend every day
But I wish for something, wish for something more
Oh, I love you like a friend but let s not pretend
How I wish for something, wish for something more

Gm Dm Gm Dm
Now the sun is fading and the rain is coming down
Gm Dm Gm Dm
And I m looking at your face but your looking at the ground
Gm Dm Gm Dm
I see diamonds in your dreams I see pearls around your neck
Gm Dm Gm Dm
I see everything that s beautiful, everything that s beautiful

I wish I was the one
You lonely, lonely son
And you looked at me that way
I wish for long lingering glances
Fairytale romances every single day
And you look at me and say
I m your best friend every day
But I wish for something, wish for something more
Oh, I love you like a friend but let s not pretend
How I wish for something, wish for something more
