Gm Dm C Gm

Oh, the sun is shining far too bright

Dm C Gm Dm C Gm

For it to still be night

Gm Dm C Gm Dm C

Oh the air feels so cold so cold and old

Gm Dm C Gm

How can it be light

Oh let s take a walk outside

See the world through each other s eyes

I wish I was your only one

I think you re beautiful but your hair is a mess

And your shoes are untied, but that s what I love best

Cm F

And I, I wish I was the one,

Dm

You lonely, lonely son

Gm

And you looked at me that way

Cm

I wish for long lingering glances

F Dm Gm

Fairytale romances every single day

Cm

And you look at me and say

F

I m your best friend every day

Dm Gm

But I wish for something, wish for something more

Oh, I love you like a friend but let s not pretend
How I wish for something, wish for something more

Oh the grass is so green
But I can t see anything, past your eyes
I m fixated on your smile
Your cherry lips make life worthwhile
I m thinking these things
What I m trying to say is
Life gets in my way
Every single day

And I, I wish I was the one
You lonely, lonely son
And you looked at me that way
I wish for long lingering glances
Fairytale romances every single day
And you look at me and say
I m your best friend every day
But I wish for something, wish for something more
Oh, I love you like a friend but let s not pretend
How I wish for something, wish for something more

Now the sun is fading and the rain is coming down
And I m looking at your face but your looking at the ground
I see diamonds in your dreams I see pearls around your neck
I see everything that s beautiful, everything that s beautiful

I wish I was the one
You lonely, lonely son
And you looked at me that way
I wish for long lingering glances
Fairytale romances every single day
And you look at me and say
I m your best friend every day
But I wish for something, wish for something more
Oh, I love you like a friend but let s not pretend
How I wish for something, wish for something more
