D: xx0232 **C**: x32010

Intro: Em G D C

Em G D

Em G

Wave your flag high above your head

D C

You deserve to smile, celebrate in style

Cause everything that depressed you now is gone

Em G

And eighteen days while the world looked on

You stood your ground, kept holding strong

Em G D

Eighteen days while the world looked on

C Em

Across the Nile there are stars tonight

And they shine much brighter than before

C Em

Across the Nile there s peace and love tonight

G 1

And it shows much stronger than before

Free and fair life they said it would be

D

Cross our fingers, wait and see

Em

G

D

And dream of a better day

Em G

And across the world you ve shown them all D

C

That hope and strength can conquer all Em G

Will we stand together again?

C Em

Across the Nile there are stars tonight

G D

And they shine much brighter than before

C Em

Across the Nile there s peace and love tonight

G D

And it shows much stronger than before

C D
Hope and strength can conquer all
Em
You we shown the world how the mighty fall
G D
And across the Nile there are stars

Much brighter than before
