Intro: C - Bb (4x)

Oh here's a story about a boy named Jay
Nothing he did would ever get in my way
But there's still a long long way to go

I've only ever seen his face on film
I've only ever heard the lines he'd say
But still they won't get in my way

I'm always told to be the dreamer kind
Wake up one morning and your dreams are life
Never let them bring me down
Never let them tear me down

I always thought that I would follow you
Every place and everything you do
But I'm happy to be by myself
I don't need no one else
