

## Life In a Beautiful Light

Amy Macdonald

Intro: F C G G7

C  
How do I know when I've found my one and only  
Am  
And these days of searching are through?  
F G  
How do I know when you love me as much as I love you?  
C Am  
How do you know when your life, your life is complete?  
F G C  
When the butterflies in your stomach sweep you of your feet  
C Am  
Cause the stars in my eyes, well they twinkle when I see your face  
F G  
And the butterflies keep flying, flying all over the place  
C Am  
And the dark and grey, well it fits with the black and white  
F G C  
And all I see is life, life in a beautiful light  
F G C  
And all I see is life, life in a beautiful light  
C Am  
Nothing can prepare me for what I'm feeling right now  
F G  
And nobody and nothing is ever gonna bring me down, down down  
C Am  
No rain, no hail, no sleet, no snow  
F G C  
Cause the sun always shines everywhere I go  
C Am  
Cause the stars in my eyes, well they twinkle when I see your face  
F G  
And the butterflies keep flying, flying all over the place  
C Am  
And the dark and grey, well it fits with the black and white  
F G C  
And all I see is life, life in a beautiful light  
F G C  
And all I see is life, life in a beautiful light

Instrumental: F C G G7

C Am

Cause the stars in my eyes, well they twinkle when I see your face
