The poet s a genius,

C

Its something I don t see,

F **E**

Why would a genius be trippin on me?

Am

And there s looking and another ,

C

Why he can t see is that

F

I m looking through his eyes,

E

So many lies behind his eyes.

Am

N tell me stories from your past,

C

And sing me songs you wrote before.

F

I tell you this my Poison Prince,

E

You ll soon be knocking on Heaven s door.

Am

Some kind of Poison Prince,

C

With your eyes in daze.

F

Some kind of Poison Prince,

E

Your life is like a maze.

Am

And what we all want

C

and what we all crave,

F

Is an upbeat song,

E

So that we can dance the night away.

Who said life was easy,
Who said life was fair,
Who said no one gives a dam,
And no one even cared.

The way you re acting now,
Like you left that all behind.
You ve given up,you ve given in,
And I m a sucker of that slime

Some kind of Poison Prince,
With your eyes in daze.
Some kind of Poison Prince,
Your life is like a maze.

And what we all want and what we all crave,
Is an upbeat song ,
So that we can dance the night away.

Some kind of Poison Prince,
With your eyes in daze.
Some kind of Poison Prince,
Your life is like a maze.

And what we all want and what we all crave,
Is an upbeat song ,
So that we can dance the night away.
