

## Slow It Down

Amy Macdonald

Intro: (C Em Am F) 2x

C Em Am F  
I never knew you before  
C Em Am F  
I ve been walking around with my eyes on the floor  
C Em  
But now you re everywhere to me  
Am F  
You re every face that I see  
C Em Am F  
Things ain t moving quick enough for me

C  
I guess I ve been running round town  
Em  
Leaving my tracks  
Am  
Burning out rubber  
F  
Driving too fast  
C Em Am F  
But I got to slow right down  
C Em  
Back to the moment the very start  
Am F  
From the very first day you had my heart  
C Em Am F  
But I got to slow right down

Slow it down

(C Em Am F) 2x

C Em  
Wishing, wanting for something more  
Am F  
Always better than I had before  
C Em Am F  
Who knew this dream would come true  
C Em  
And I run the red won t stop at night  
Am F  
I don t care for traffic light  
C Em Am F  
Things ain t moving quick enough for me
