

Slow It Down

Amy Macdonald

Intro: (C Em Am F) 2x

C Em Am F
I never knew you before
C Em Am F
I've been walking around with my eyes on the floor
C Em
But now you're everywhere to me
Am F
You're every face that I see
C Em Am F
Things ain't moving quick enough for me

C
I guess I've been running round town
Em
Leaving my tracks
Am
Burning out rubber
F
Driving too fast
C Em Am F
But I got to slow right down
C Em
Back to the moment the very start
Am F
From the very first day you had my heart
C Em Am F
But I got to slow right down

Slow it down

(C Em Am F) 2x

C Em
Wishing, wanting for something more
Am F
Always better than I had before
C Em Am F
Who knew this dream would come true
C Em
And I run the red won't stop at night
Am F
I don't care for traffic light
C Em Am F
Things ain't moving quick enough for me
