

The Furthest Star
Amy Macdonald

Intro: D

D

The furthest star in the sky

Bm

Well that s the one that passed me by

F#m

I tried to wish upon that star

G

It didn t get me very far

D

It fell on empty ears

Bm

It fell on empty hearts

F#m

G

And my dreams, they fell apart

F#m

Bm

I m always wishing I was someone else

F#m

Bm

I m always hoping I can sell myself

D

Bm

But I ll be free for what I believe

F#m

G

And I won t sell my soul just to achieve my goal

D

Bm

F#m

And I ve been holding back the tears, dreaming all these years

G

And I sing from the heart if you ll listen to me

F#m

G

D

Everything I do is what I believe

D

The lights went out across the world

Bm

And your house of cards came tumbling down

F#m

Cause nothing stays and noting sticks

G

When you re rolling with the lunatics

D

But my star in the darkest sky

Bm

Twinkles and watches while the other stars die

F#m

G

Upon your empty ears and empty hearts

F#m

Bm

I m always wishing I was someone else

F#m

Bm

But I ve given up the ghost, I will never sell myself

D

Bm

But I ll be free for what I believe

F#m

G

And I won t sell my soul just to achieve my goal

D

Bm

F#m

And I ve been holding back the tears, dreaming all these years

G

And I sing from the heart if you ll listen to me

F#m

G

D

Everything I do is what I believe

D

The furthest star in the sky

Bm

Well that s the one that passed me by

F#m

I tried to wish upon that star

G

It didn t get me very far
