**Dm Am Gm Am**  
**Dm Am Gm Am**

**Dm Am**  
And the rain falls down in sheets of blue and gray.

**Gm Am**  
Where did the Sun go, where s my summer s day?

**Dm Am**  
And everyone s in love, oh everyone but me.

**Gm Am**  
Everyone s got someplace ...they have to be.

**Dm**  
And everybody s on their own every single day

**Am**  
They wanna tell you otherwise but don t know what to say.

**Gm Am**  
And I can tell you something which I know ...

**Dm Am**  
this much is true .....

And everybody earns a little less than what they say  
They re all saving pennies just to last a day.

And I can tell you something which I know  
this much is true.

Oh she lives in a world tucked inside her head  
Crying every night before she goes to bed  
And he s leaving here tomorrow, or so he says  
Living on his sorrow, but he ll forget tomorrow.

And everybody s on their own every single day  
They wanna tell you otherwise but don t know what to say.

And I can tell you something which I know  
this much is true.

And everybody earns a little less than what they say  
They re all saving pennies just to last a day.

And I can tell you something which I know

**Dm Am**  
this much is true.

this much is true,  
this much is true, ..... I know  
this much is true.  
This much is true.
