Intro: C G G* Am G G* F G G* C

C G G*
When two worlds collide
Am G G*
I m happy that I m by your side
F G
Cause we will be forever
G* C
You and me

C G G*
When dark falls everywhere
Am G G*
And life has gone to deep despair
F G G*
I m happy that I spent it all
C
With you

F
I think about you every night
C
You ll never go away
F
I dream about the day we met

C

Like it was yesterday

F

I know I ll see your face

C

One more time before I die

G

So we can say

G*

Goodbye

C

G G*

When heaven called you from above

Am

G G*

They took the only one I love

F

G

But we ll still be forever

G* C

You and me

C

G G*

When life has left you all alone

Am

G G*

And love has quickly come and gone

F

G

Well we ll still be forever

G* C

You and me

F

I think about you every night

C

You ll never go away

F

I dream about the day we met

C

Like it was yesterday

F

I know I ll see your face

C

One more time before I die

G

So we can say

G*

Goodbye

C

G G*

When two worlds collide

Am

G G*

I m happy that I m by your side

F

G

Cause we will be forever

G* **C**

You and me

End on **C**
