

What Is Love  
Amy Macdonald

C F C G  
C F C G C

C F  
I woke up this morning had nothing to do  
C G  
I tried to call you but I couldn't get through  
C F  
Oh man what's a girl to do,  
C G C  
I'm totally lost without you  
C F  
A Bell was ringing inside my head  
C G  
and if it wasn't for you I'd have wound up dead  
C F  
But now I'm officially wrong in the head,  
C G C  
I'm totally lost without you

F  
And your dancing along not knowing the songs  
C  
And if that's not a fan what is  
F  
And your telling the kids in the street not to swear  
C  
And if that's not a man what is  
F  
And your girlfriends at home she's all alone  
C  
And if that's not love what is  
Am F G  
What is love, what is love, what is love

C F  
I went to bed I was on my own  
C G  
I don't even know where I'm coming from  
C F  
Now I'm leaving all alone  
C G C  
I'm totally lost without you  
C F  
I left last night with an aching head

**C**                          **G**  
And I couldn't sleep so I cried instead  
          **C**                          **F**  
Forever sleeping in an empty bed  
          **C**          **G**              **C**  
Still totally lost without you

~I really like this song, although it is quite a new one.

The chords are very easy, as you can see and the strumming pattern is also the basic

It was probably one of the easiest song I have ever tabbed;)

Have fun playing it!!
