Let It Ring

When you march stand up straight
When you fill the world with hate
Step in time with your kind and let it ring
When you speak against me
Would you bring your family
Say it loud pass it down and let it ring

Let it ring to Jesus cause he sure d be proud of you

As I wander through this valley
In the shadow of my doubting
I will not be discounted
So let it ring

And the strife will make me stronger
As my maker leads me onward
I ll be marching in that number
So let it ring

I m gonna let it ring to Jesus

G

Cause I know he loves me too

Bm

And I get down on my knees and I pray the same as you
