

Backed Into The Corner

Amy Stroup

This is mt first time playing by ear, I m pretty positive this is how the song goes. To figure out strumming, listen to original song. If you notice any mistakes

feel free to msg me. Enjoy :)

No Capo

[16 Beats Guitar Intro] -- I believe she may be playing all C s, but I usually play 8 beats of C and 8 beats of F.

[Verse 1]

C

Nothing turns out

F

The way you want it

C

Nothing plays out

F

Like you saw in your mind

C

You keep finding out

F

Everything s changing

C

It s hard to find a place

F

Just to calm down

Am F

Mmmm mmmmm

[Chorus]

C

You re backed into the corner

F

Your hands are tied down

C

You re backed into the corner

F

You re by yourself now

C

But from where you re standing

F

You see it all now

C

You see it all now

F

You see it all now

[Verse 2]

C **F**
You re standing on the edge of the ocean

C
Yelling at the waves to stop

F
But they keep crashing down

C
Your hoping seems helpless

F
You got no choices

C
In a world without answers

F
Everything fades in black

Am F
Mmmm mmmm

[Chorus]

C
You re backed into the corner

F
Your hands are tied down

C
You re backed into the corner

F
You re by yourself now

C
But from where you re standing

F
You see it all now

C
See it all now

F
You see it all now

C
You see it all now

F
You see it all now

C
You re backed into the corner

F
Your hands are tied down

C
You re backed into the corner

F
You re by yourself now

C
But from where you re standing

F

You see it all now

C

See it all now

F

You see it all now

C

You see it all now
