G# - 466544
Ebm - x68876
Bbm - x13321
F#m - 244222

Intro:

C#

If there s hate in this heart
then there s hate in that heart

F# **G#**

One hand claps not without the other
(Repeat)

Verse 1:

C#

From love springs love

F#

but who can say if the

G#

love is not returned

C#

It furthers by the day
From hate springs hate so we

F#

have found it s growing ever

G#

stronger We will
see it all around

Refrain:

Ebm

Every chance you take

F#m

and every heart you ll break

Chorus:

Bbm

You know that everyday

F# G#

I m more disappointed

Bbm

By the world and

F# G#

I m losing my faith

Bbm

We made the hell

F# G#

that we have to live

Bbm C# Ebm

Another universal truth

Bbm

We keep on asking the

F# G#

same kind of questions

Bbm

We keep on fighting the

F# G#

same type of wars

Bbm

But you will find what

F# G#

you need inside to

Bbm

be a Superior mind

Post Chorus:

C# F# G#

Superior mind

Verse 2:

C#

Do you still believe in

F#

what you said was right

You kept saying that

G#

you loved me You were wrong

C#

It s lust at first sight

We ve been this way

for as long as We

can remember

F#

Why do you always make

G#

to choice to punish

Refrain 2:

Ebm

Without the scars to show

F#m

You will never grow

(Repeat Chorus)

Bridge:

Bbm G# F#

Oh no oh no oh no

oh no oh no

F#

It will never change

G#

It will never make sense

Bbm G# F#

Oh no oh no oh no

oh no oh no

F#

You will never find your way

G#

It you never choose

to play that game

Bbm G# F#

Oh no oh no oh no

oh no oh no

F#

We keep on making

the same mistakes

G#

Over and over

F#m

You love turned to hate

and your hate turned to love

We killed all the things

that I used to be dreaming of

(Repeat Chorus)

Outro:

C#

If there s love in this heart
then there s love in that heart

F#

G#

One hand claps not without the other
(Repeat)
