

Under The Thumb
Amy Studt

E **A** **F#m**
You twisted a nerve, you
 B
put your hand on your heart and
E **A**
you said hey dont worry
F#m **B**
your fit women, that s all that counts and,

E
yes
 A **C#M**
I ignored all the usual signs
B **E**
not really knowing quite why
 A **F#m** **B**
i let you decide, yeh eh

C#M, A, E, B
aint it funny how
i m finding out now
it makes me laugh
how i let you have your way and your say
 F#m **B**
i ve got it now so i m asking you babe

chorus:
C#m **A**
Did i ever even cross your mind
 E **B**
cause it s not a game of who is under
the thumb
 C#m **A** **E**
i think you took me for a ride (ride, ride)
B
but i didn t see

(The same chords)
I, didn t even realise
boy that we were playing games of
under the thumb, I
think you took me for a ride ride ride
what a waste of me.

oh oh oh

So enjoy the song!
