[Verse]

Please pray, betray

C

Lay me in the water, wash my sins away

F

Forgive, forget

C

Someone in redemption but I m not there yet

F

Lay hands on me

C

You will be the boat I will be the sea

F

All roads will lead

C

Back to the beginning where you still believe

Em Dm

All the river runs forever, never reaching home

Em Dm

And I will waddle in the undertone

[Chorus]

Never let go, never let go

Bb C Am

Still have faith in me

Never let go, never let go

I ll be coming home

C G

Em Am

You are not alone

F

Never let go of me

G F C

I will never let go

F

If a life is real

C

Tell me how the living part is supposed to feel

F

I feel, now I lose

C

Nothing but running in walking shoes

F

But I bring, but I learn

C

Running out in circles ain't a way to turn

F

But I win, we'll heal

C

All the broken down bridges that I left to burn

Em
