

Tears Dry

Amy Winehouse

There wasn't a tab for the original version of this song that was released on Lioness: Hidden Treasures so here it is! You can also transpose it and play with a capo on the fourth fret to make it a bit easier.

The pattern for the whole song goes something like this:

```
e | ---x-----x----- |
B | ---x-----x----- |
G | ---x-----x----- |
D | ----- |
A | -x---x-x---x-x- |
E | ----- |
```

[Intro]

Ema j7

Ema j7

All I can ever be to you,

G#m7

Is the darkness we once knew,

C#7

F#m7

And this deep regret I had to get accustomed to

Ema j7

Once it felt so right

G#m7

Anticipation at its height,

C#7

F#m7

Lived in and waiting in hotel room late at night

Ema j7

I knew I hadn't met my match,

G#m7

With every moment we could snatch,

C#7

F#m7

I don't know why I let myself get so attached,

Ema j7

It's my responsibility,

G#m7

And you don't owe nothing to me,

C#7

F#m7

But to cut myself off I had no capacity

[Chorus]

A

He walks away,

Am

The sun goes down,

G#m7 **C#sus** **C#7**

He takes the day but I m grown,

F#m9 **A/E**

And in your grey, in this cool shade,

E **Ema j7**

My tears dry on their own,

Ema j7

I don t understand,

G#m7

Why do I stress a man,

C#7 **F#m7**

When there s so many better things than him at hand,

Ema j7

We could have never had it all,

G#m7

We had to hit a wall,

C#7 **F#m7**

And this is inevitable withdrawal,

Ema j7

Even if I stop wanting you,

G#m7

A perspective pushes through,

C#7 **F#m7**

I ll be some next man s other woman soon,

Ema j7

I cannot play myself again,

G#m7

I should just be my own best friend,

C#7 **F#m7**

Not fuck myself in the head with stupid men,

[Chorus]

A

He walks away,

Am

The sun goes down,

G#m7 **C#sus** **C#7**

He takes the day but I m grown,

F#m9 **A/E**

And in your grey, in this cool shade,

E **Ema j7**

My tears dry on their own,

Ema j7

Wish I could say no regrets

G#m7

And no emotional debt

C#7 **F#m7**

And as we kiss goodbye the sun behind you sets

Ema j7

So we are history

G#m7

Your shadow covers me,

C#7

F#m7

The sky above, a blaze that only lovers see

[Chorus]

A

He walks away,

Am

The sun goes down,

G#m7

C#sus C#7

He takes the day but I m grown,

F#m9

A/E

And in your grey, in this cool shade,

E

Ema j7

My tears dry on their own,

A

He walks away,

Am

The sun goes down,

G#m7

C#sus C#7

He takes the day but I m grown,

F#m9

A/E

Baby in your grey, in this cool shade,

E

Ema j7

My tears dry on their own,

F#m9

A/E

Yeah, leave your grey to shade

E

Ema j7

My tears dry on their own

F#m9

A/E

In your grey, in this cool shade,

E

Ema j7

My tears dry on their own,

F#m9

A/E

In your grey, in this cool shade,

E

Ema j7

My tears dry on their own,
