Ana Free - Memories

Capo fret 3

INTRO: **Bm G Bm G**

Said I m gonna be sad without you
Bm G
Cuz my life is all about you
G D Em
The ocean stole you from me in its waves

But I m gonna move on to live now
Bm G
Forget about you somehow
G D Em
Cuz everything I d hoped for is gone to waste

And the sun is setting
Bm G
Out on the horizon
G D Em
And over it I try to paint to face

But my eyes are cloudy
Bm D
And all I know is how much I
G D Em
Long for you but I can t have your embrace
G D Em
I love for you but I just can t find your face

Chorus:

G
It s gonna be a long long night to get through
D
A long long time to find you
Em C
A long long list of memories I ll write down to forget these
G
Times I feel mistaken
Em C
I thought you d never leave my heart aching

C **Am**
Look how wrong I was
C **Am**
I gave you all my trust
C **Am**
And now there s no more us
C **Am** **G**
I m leaving when I find my feet again

Bm **G**
Today I went to where you used to get me
Bm **G**
I d love you if you d just let me
G **D** **Em**
I d swim inside that ocean to get you back
Bm **G**
Cuz I m tired of waiting
Bm **G**
And if it comes to nothing
G **D** **Em**
Then it s pointless staying here I m going back

Bm **G**
Cuz I ve fought for so long
Bm **G**
And it s me you turn your back on
G **D** **Em**
I fought for a chance to stay in your embrace

Bm **G**
But it seems like it s worth none
Bm **G**
Somethin I don wanna have to think on
G **D** **Em**
So over it I try and erase your face
G **D** **Em**
I said over it I try and erase your face

(Chorus)
