Such A Fool
Ana Free

Hi!
Here are the chords for Ana Free s song Such a Fool.
It s pretty difficult to write the chords down if u have no idea, what they are
called, so i just wrote down the x with the number where u begin the chord. For
example x7: (same with the X)

```
                    x7
        7 fret    8 fret    9 fret
  e|---------|----------|----------|
  B|---------|----------|----------|
  G|---------|----------|----x-----|
  D|---------|----------|----x-----|
  A|----x----|----------|----------|
  E|---------|----------|----------|

                  x
  e|---------|----------|----------|
  B|---------|----------|----------|
  G|---------|----------|----x-----|
  D|---------|----------|----x-----|
  A|----x----|----------|----------|
  E|---------|----------|----------|

                  X
  e|----x----|----------|----------|
  B|----x----|----------|----------|
  G|----x----|----x-----|----------|
  D|----x----|----------|----x-----|
  A|----x----|----------|----x-----|
  E|----x----|----------|----------|
```

Ana Free â€“ Such a Fool

x7   x5   x3 (x4)

x7   x5   x3
I don t wanna be a part of your conversation
x7   x5   x3
You know it s through open eyes I see you
x7   x5   x3
So take me for what you will, I don t mind, I don t care
x7   x5   x3
But when I turn around don t stand there don t stand there
x7   x5   x3
You said you were some things I now see that you aren t
x7   x5   x3
And I was such a fool to trust you

```
x7      x5      x3
It s close but we ve already lost it to the frontier
x7      x3
Why the tears when nothing’s here
x5      x7      x5      x3
And I know (heyy)

x7      x5      x3

Am      C      D
I don’t want to make a big scene when you come around
Am      C      D
But every time I don t you just let me down
Em      X7
And I can t take it anymore
Em      X7
I can t take it anymore
Em      Bm      X8
No, I can t take it anymore

x7      x5      x3 (x2)

x7      x5      x3
I don t want to be around, when you make me sad and bring me down
x7      x5      x3
You know it s like a book I read, I read you
x7      x5      x3
You’re making me fight all the wrong things, and it s only
x7      x5      x3
And when I leave you don’t come back, cause you re lonely

Am      C      D
I don t want to make a big scene when you come around
Am      C      D
But every time I don t you just let me down
Em      X7
And I can t take it anymore
Em      X7
No, I can t take it anymore, Baby now Baby now
Em      Bm      X8
I can t take it anymore
Em      Bm      X8
I can’t take it anymore
Am      C      D
I don’t want to make a big scene when you come around
Am      C      D
But every time I don t you just let me down
Em      X7
And I can t take it anymore
Em      X7
I can t take it anymore
Em      Bm      X8      Em      D
Baby I can t take it anymore, anymore
```
